Nicole,

Thanks. Please submit a 311 request and RAP Service Request. We have noticed heavy narcotics addition in the neighborhood. We will respond asap.

I'll contact your LAPD Senior Lead Officer and reach out to the council officer to request Sanitation.

Please assist us in taking care of this one asap. Its right across the street on Yucca. Parents are feeling unsafe bringing kids to camp if this is here and the homeless want to use our bathrooms now when we have kids in camp. It's not a good situation. thanks
